KEYSTONE KOPS

"The Voice of Shrine Dom"

Harold W. Lanning
Director of Chanters
Unit Since 1991

Harold W. Lanning is 90 years young, and well known as Moselm Temples "The Voice of Shrine Dom". Harold has been the voice of the Star Spangled Banner and not only at Shrine events but also at Comerica Park before a Tiger Ball game.

As Director of the Chanters unit since 1991, Harold is the Last Man Standing in the unit and is hoping to find some Nobles who would be willing to keep the Legacy of the Chanters Unit alive it has a great tradition and goes back many years.

Nobles, please if you are in a Choir or have the ability to sing please put your talents to good use as a Chanter and keep the Chanters Legacy alive. If you are interested please make contact with Harold and become a member of the Chanter's Unit.

MESSAGE FROM OUR POTENTATE

Nobles;

If you missed the “WWTGL” event this past month you missed an exciting afternoon. At the end of the Leprechauns Rainbow were numerous Pots of Gold to share with the many lucky winners. Let's give a great big round of applause and thank you to all those who worked so hard to make this a successful event. Thanks to Mike & Tommy for their food suggestion.

The Keystone Kop's if you are not sure who they are it is because they haven't been recognized very much this year. The original Keystone Cops developed by Hank Mann in 1912, played the Police Chief Tehiezel in the first silent film. In 1913 the Keystone's became popular and known as (The Bangville Police). The Keystones brought the likes of Charlie Chaplin (Steve) and Fatty Arbuckle (Keith) in support of comedians.

The Temple Keystone Kops were chartered in 1967. They are always a huge hit at the Parades. Beware of the 1924 Model T for if it is headed your way, the surprise you will receive is breathtaking and thoroughly wet. So next time you see the comedians of the Temple let them know you care.

“Those Who Bring
Sunshine into the Lives
of others cannot keep it
from themselves”
Sir J.M. Barrien

Yours In the Faith,
Arthur J. Brdak
Potentate.

Membership Committee

Hello Nobles!

At this time of year, life begins to ramp up as we prepare and begin some of our plans at home and at the Shrine. There is spring cleaning, taxes, Easter (for most), and scheduling of summer events and vacations. Plans here in the Shrine also set into motion as we prepare for the Circus, Parades and our Ceremonial. By the time you receive this message, there will be approximately one month to our Ceremonial scheduled for May 6th!

As I write this column on March 7th, 2017, we currently have 8 petitions for our Ceremonial. There are still opportunities ahead to increase our number of candidates if we work together. During the Circus, we shall have a Membership Table present for prospective Nobles. On May the 13th, Grand Lodge shall be conducting an “All Day Degree” at the Dearborn Masonic Lodge located at 907 Monroe St., in Dearborn Michigan. There is a limit to 40 candidates, and candidates must be approved by a Lodge with his investigation completed and must be accompanied by a Mentor. For additional information, you may contact Grand Marshal Larry Inscho at 989-795-2138.

At this time, I would also like to acknowledge the Shrine Legacy Program. This Program, presented through Imperial, is designed to recognize the Nobility with family ties of the past and present within our Fraternity! You may qualify as a “Legacy” if you have a family member in the past or currently serving the Shrine. To register your legacy, you may contact Joe Amador at joeracefan@hotmail.com or myself at shrinergaines@yahoo.com . Please provide your full name, your Temple, your family members with in the Shrine, (past and / or present), and their respective Temple. Photos are also encouraged as we would like to plan a visual wall of our local Legacies within our Shrine Temple. You may register through Shriners village, however, I would encourage that you notify us to recognize you personally. The Shrine Legacies shall be awarded with a Certificate and Pin. Award dates to be announced depending on the number of responses given.

Remember, everyone is on the Membership Team! At this time, there should be a sense of urgency felt by all to bring prospective Nobles to the Ceremonial. Our Temples future depends on what we do today to preserve it.

Warmest regards,

Noble Rick Gaines
Membership Chairman

Sending Supplies to our troops is back on!

With the approval from our Illustrious Potentate-Art Brdak, I will be taking over from Oriental Guide, Kenric Knecht, with collecting and shipping items to our troops overseas! The goal is to send the packages through the Bay City Armory around the middle of May 2017. I will be conducting another collection effort sometime in the fall.

We are looking for donations from all that are willing to give back to the fine Men and Women that serve our country. You do not need to pack the box for shipping since that will be taken care of for you.

Some recommended items are listed below, but you are certainly not limited to only these:

- **Snacks** – Bubble gum (double bubble or bazooka) / suckers / tootsie pops / hard candy / granola bars / candy bars
- **Health / Personal Hygiene** – non-aerosol / handy or baby wipes are highly desirable / sun block / feminine Hygiene products

- **Entertainment** – Handheld video games (AA or AAA solitaire, poker, etc.) / Playing cards / board games
- **Magazines / Books** – soft cover preferable for weight issues
- **Batteries** – All sizes with AA and AAA preferred for small electronics
- **Zip Lock bags** for storage
- **Prepaid phone cards, and Apple App Store Gift Cards** in \$5-\$10 denominations
- **Writing paper with pens and envelopes**

One key thing to keep in mind is that food and / or health items must be new in the box and sealed.

Of course, cash donations are also appreciated and will be used to purchase items from the list above.

Also, please remember to include a personal note with your donations so we can include these in the packages!

The items may be dropped off at the Shrine Business Office behind the counter, or the Highlanders Unit room to be picked up by me at a later date.

If there are questions, please email me at scspecon@gmail.com or call 248-318-1266

Thank you!

"The Shriner"

by Noble Jack R. Hunt

There are children today in the USA
who are crippled or burned, and in a bad way.
To mend their bodies and be made whole,
"Go see a Shriner," their families are told.
"Where are these children?" the Shriner will ask.
"We know that our doctors are up to the task."
So, who is this Shriner people keep talking about?
Why he's the guy with the fez, selling stuff when he's out.
He'll sell you a ticket and that's not a sin;
a Keystone Kop patch or a hillbilly pin.
He'll sell newspapers, candy, artificial flowers, too.
God bless our supporters, what would we do without you?
And on parade in any given town,
he'll entertain our children and act like a clown.
You'll see our nobles running around with a yelp,
dressed like cowboys and Indians, thank you, Lord,
for letting us help.

And thank You, God, for children healthy and strong.
We ask that you help us try harder for the crippled/burned child
as the parade route gets long.

The Shriner does his duty, and in his heart there's love;
but he must have help from the giver and
guidance from God above.

Shriners Hospitals mend our children,
and this is come rain or shine.

Just look what has been accomplished with love,
community help and a great deal of our time.

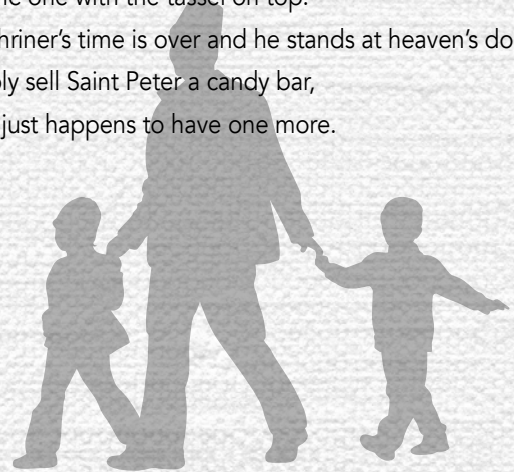

So the next time you see a Shriner out there, selling his wares,
please hand him a buck and give him a smile.

This shows that everyone cares.

Because the fight is not over and we're aware
that we still cannot stop,

we ask that you look for the guy in the fez -
you know, the one with the tassel on top.

When the Shriner's time is over and he stands at heaven's door,
he'll probably sell Saint Peter a candy bar,
because he just happens to have one more.

Happy April Birthday wishes to the following Worshipful Brothers: James Weir April 10th, Seymour Rabotnick April 18th, James Miller April 20th, George Staten April 21st, Jeffrey Geske April 21st and Chris Getsoian April 27th. We don't get older, we just get better.

Thank you to all the Worshipful Brothers that took part in the visitation to Architect-University Lodge #569 F&AM on March 16th. We had a fair turnout and the work was excellent. Thanks also to Worshipful Master Thomas Woodruff for the warm hospitality and dinner.

One Day All Degree Day Saturday, May 13, 2017.
7:00 A.M. Breakfast, 8:00 A.M. E.A. Degree, followed by F.C. Degree, Lunch, and then M.M. Degree and then dinner. Dearborn Masonic Lodge #172 F&AM, 907 Monroe St., Dearborn, Mi., 48124. Number of candidates allowed: 40 max. Lodge must have completed Candidate investigation and approved his petition.

Candidate must take all 3 degrees. Each candidate must be accompanied by a Mentor. For additional details, call Grand Marshal Larry Inscho at 989-795-2138 or 517-719-2282.

the Highlanders

By Roger Brown (TheMightyPiper)

The picture you see is of course Kenric Knecht, Oriental Guide. Kenric is holding a picture he took of himself when he travelled into the future. The

picture Kenric is holding is himself as he will look in 20 years. Most people are not aware that Kenric learned to travel in time from that great master of time travelling – ZORBLOTT, THE MAD CANADIAN FROM THE FUTURE. Kenric is wearing the Cameron of Lochiel tartan sport coat at our Christmas party. In 20 years

he will be wearing the same coat and it will still fit! Kenric uses this jacket for good luck whenever he plays Euchre with inter-dimensional beings he encounters on his time travels.

Well, everyone is more or less gone. I am not sure what that means but I suspect that those band members who are not in the metropolitan Detroit area are somewhere else and that would be Florida or Texas. Ed and Margaret, Bob and Nancy, and Pete and Bev are in Florida. At least that is what they tell us. Jim and Carol Rogers are in Texas. That leaves a limited crew for practicing so we did not start up again until the second Tuesday of March.

The second Tuesday of March is an important day in the history of the bagpipes. Actually, that is not true, but it could be. If anyone would know if it would be true or not, it would be this man:

CHEEKS MaCGINT! Cheeks is the only piper we know whose body temperature rises to the point where he begins to evaporate by first ejecting steam through holes that pop out from his cheeks, then slowly disappears altogether. Cheeks reappears after every rain storm as if nothing happened.

Our newest member, Steve Glynn, isn't really new. That would be Jim Powers. Steve is second to new, Jim is firstly new. Steve is a piper and Jim is a tenor drummer. They are both of Irish ancestry, and that makes them super people. Steve is an archeologist and when he is not on a dig in the Middle East, he also hunts down stolen ancient Egyptian pottery and returns to museums. Jim is an Art Historian and works as an independent contractor. Jim is responsible for moving art work from museum to museum, and making sure gets there safely.

Speaking of Irish, we did the Royal Oak St. Patrick's Day Parade, then the Detroit St. Patrick's Day Parade. On St. Patrick's Day, we went to Deadwood South Dakota and whooped it up with the Naja Shrine Pipe Band from Rapid City. It was a great time, and if you have never been to Deadwood, it is quite the town and worth a visit – especially on St. Patrick's Day.

So, basically, we are ready for the Circus, and the upcoming parade season, and growing beets in Bavaria as we typically begin doing this time of year. Most people don't know we invested in a Bavarian Beet farm, and we sell only to people of Scottish ancestry named Arbuthnot. We do lots of interesting stuff, cause that is the kind of folks we are. What does it all mean? Come down on Tuesdays and find out!

TAPROOM NO. 1

by: George Staten

Greetings to all the members of the Reception Unit. I hope everybody is in good health and keeping warm in this cold weather that we are having. One day it will be warm again and all the snow will be gone. Then we will want the snow back.

As I said before, all of the functions that are put on by the Shrine are not only fundraisers, they are for your enjoyment and if you don't attend them, you are not getting your money's worth. (To all the Shrine members that don't belong to a Unit, join with us.)

As I said before, we have (2) Charity Poker events lined-up, for next year, June 11th thru June 14th, 2017 and Sept. 3rd thru Sept 6th, 2017. Keep these dates in mind and let Director George know that you will help. This will be at the Sportsman Poker Room in Utica. Be a part of helping your Unit on this fund raiser.

At the meeting in January, we had (5) members join our Reception Unit, Kerry Webb, Pete Campbell, Alden Burley, Tim Lancaster, Keith Jones and Dave Henderson was already a member, but was never voted in as a member. In February we had (3) more members join, Douglas George, Henry Dotson and James Hodgson. We will have another new member at the meeting in March. All were voted on and accepted into our Unit. Congratulations to all the new members and thanks for joining.

At the meeting in February, it was voted and approved that the Reception Unit pay \$455.00 dollars to the Past Masters Unit to pay half of their expenses for the Reception Unit Christmas Party. Director Staten stated that after this year, there will be no more Past Master and Reception Unit Christmas Party. The Past Master's will put it on in their name only. Any expense they have will be their own.

As I said before, your Unit purchased (10) tickets for the Shrine ATV Raffle the Shrine is having and we also, had (10) to sell. We have (4) left if anybody would like to have one. They are (\$10.00 each.

We were going to have another outing to Sarnia, a two Hr. Cruise & Casino, but the Casino is under new management so it is not available. We will probably have another trip to the Fire Keepers Casino. You will be notified.

As you know, the Charity Poker outing and our Wheel Barrow of Cheer Raffle are our big fund raisers for the year and are how we make our money to help the Shrine and Shrine Hospitals and help pay for the subsidies for our Unit Outings. When you participate in one or both of them, donate to the Wheel Barrow of Cheer, attend (2) or more Shrine Functions and have your dues paid up, you are eligible for the subsidies.

As you know, we purchased a lot of the Shrine Calendars and sold a lot of them and haven't had a winner yet, but we will. Thanks to all of our members that purchased or sold them. Two of our members Uncle Ray and Albert Tedd Sr. sold (12) each. That was great. Thanks a lot guys.

If anybody has any ideas of a fund raiser we could do come to the meeting and tell us about it and we will consider it.

Our next meeting will be Monday, March 27th 2017, and as I have said before, come out to the meeting and meet our new

members and our new Shrine members and join with us for snacks, refreshments a 50/50 drawing, a door prize and lots of camaraderie. Help us to make the meeting more interesting with your new ideas.

If anybody wants a new Shrine Shirt or a Gray Shrine Sport Jacket, a Black Leather and Wool Jackets or a Maroon quilted jackets, we can order them any time. We also have Shrine Ties. Let your Director George know and he will order them for you. All of these will be subsidized by the Unit.

Brothers, as I said before at one of our meetings of the Reception Unit, a motion was made to pay half of the fee of any new Shriner that any Member of the Reception Unit would have join the Shrine with the stipulation that they be an active member of the Reception Unit for a year. This still stands. Pick-up a petition from the Shrine Office for your Masonic Lodge and the Shrine and see how many you can get to join. Maybe we can help have more candidates at the next Ceremonial.

If anybody wants RECEPTION on their FEZ, let your director George or secretary, Tim know. The Unit will cover the cost. Also, if you don't have a Unit Name Tag let your secretary know and again, the Unit will cover the cost. We still have gold and silver Shrine Fez pins, so sell them if you can. Call your director George at 248-828-4151 and he will mail them to you.

If you are not receiving any notification of meetings, call Director George. If you know of any of our members that are not doing very well, let your director know and he can send them a card and give them a call.

Brothers, there has been some question on the Unit Subsidies, so here is the Motion: October 28, 2013 (Motion at meeting): *Motion to have Unit Member qualify for subsidies by attending four unit meetings (one per quarter), contribute to the Wheel Barrel of Cheer and attend (2) Shrine functions per year and pay dues. The Director may make exceptions based on circumstances. Motion made by Stan Miller and Second by Joe Amador. Motion passed. Since that time, motion was made to change motion to subsidize members only.*

Dates to Remember:

Mar. 11th – “Who wants to get lucky”, Party.

Mar. 25th – Meat Raffle.

April 1st – Rat Pack Vegas Dinner.

April 6th thru 9th – Shrine Circus.

April 22nd – Bingo- Meat raffle style.

I KNOW IT WILL BE DIFFICULT BUT WE REALLY NEED A SENIOR DEACON THIS EVENING.

Shrine Lancers

by Todd Wyber (Piper T)

Hello Lancers and Families,

The 2017 year has certainly been a busy one. We've had great monthly meetings so far this year. At this time, March 15th, I have not received a parade schedule from the Shrine yet. Let's just assume that we will be doing the same parades as last year around the same weekends. I will hopefully have more info. for our article in the May issue. If you do parades, just call or email someone in the unit and we can figure out the schedule.

By the time you read this, the circus will have come and gone. I'm sure it went as well as it always does. I will have more to share next month when it actually has taken place already.

The Lancers have been visited by the Black Camel two times in March. We've lost two great members of the Lancers. Ray Board and Charlie Roman have both passed away. Both men were great Masons, Shriners and brothers. We will miss them and wish both families our deepest condolences and prayers. Both men were military veterans and served our country with pride and honor. Please keep them and their families in your hearts and memories.

We also found out that Don Richard has taken a serious fall over the winter and is now being cared for by his son. He seriously injured his back and is using a walker. He can not drive at the moment. His wife Barbara is also being helped by their son Chris as she is losing her eye sight. Please call or send a card to Don and Barbara during this most challenging time in their lives. We wish the best for both of them.

Congratulations to Cliff Wimmer on becoming Mason of the Year! Way to go Cliff. For those who don't know, Cliff is very active with both his Shrine and Masonic organizations. He is a great model of a Mason and Shriner and has volunteered countless hours per month to both fraternities. We are very proud of this recognition and award for Cliff.

Fundraising: We have been working on purchasing an item to sell tickets for and raise money for the unit. We will have more info. in the next article. The item will be raffled off at the Sportsmans Raffle in August. This is an exciting time in the Lancers and I'm sure you won't have any trouble selling tickets to friends and family for this item. I will reveal the item in the next article once all is in place. Details are on the way. Come to the May business meeting and you can find out more info. as well.

We are near that time of year when we need to start looking at our cars and begin repairing or improving them for the upcoming parade season. Please contact someone if you need help with your car. Some of us are getting new tires put on this spring. If you need anything, please email or call Dave. T. and help will be on the way.

We are trying to get some more parades to participate in this year. The parades are not only fun but help us to afford

the work we do. Please try to make as many functions as possible with the unit and for the Shrine. A calendar of events will be in every article as well as on the Shrine website and in the Shriners Magazine. If you don't get any of the above, just call someone and we can fill you in. 2017 is going to be a busy and great year for us all. What a great time to be a Lancer!!!!!!

Below is a list of events. Please mark them on your calendars and be ready to participate. If you know of a conflict, please let us know in advance so we can plan accordingly for the parades and functions.

April 6 – 9th - Shrine Circus

April 19th - Circus workers dinner

May 6th - Spring Ceremonial (more details to follow)

July 23rd - Shrine Picnic

Aug. 12th - Sportsmans Raffle

Aug. 31 – Sept. 4th - Michigan State Fair

Sept. 13th – 16th - Great Lakes Convention (GLSA)

The above dates are all of the Shrine events. Shrine parades and our own unit parade dates will come out soon. Please keep in mind the usual parades we did last year as we will surely be doing them again this year. This list will change each month. Also, I didn't type ALL of the shrine events above. See the Shrine website for ALL of the dates.

If you haven't seen a fellow Lancer lately, please call them and say "HI". We look forward to our meetings so we can laugh and enjoy dinner and our night together each month. Try to attend the business meetings if at all possible. Our next one is on May 1st at 7pm.

Until next time, enjoy the rest of April and we hope to see you at the May Lancer business meeting at the Temple. Please try to show up and enjoy a fun night with your fellow brothers and Lancers. The first Monday of every month at 7pm is when we hold our monthly business meetings and the food has been great. All Shriners are welcome to come to our meetings to ask questions and to see what being a Lancer is all about.

To all NEW and Experienced Shriners, here is your chance. If you have been looking for that one unit that you would like to belong to, look no further. Come to the Lancer room on the first Monday of each month and meet the guys. You will have the time of your life driving a Lancer car in the parades. Contact myself, Matt P. or Dave Talbot for information and make a decision that I know you won't regret. Come join one of the fastest growing units in Moslem and become a Lancer today!

Until next time, keep your engines runnin.

What's New in Erie!

Erie Patients Navigate Surgery with New Adventure Maps

Surgery can be a scary event, especially for a child. Being separated from their parents, the unfamiliar faces of the doctors and nurses, and pain during and following surgery cause anxiety. Shriners Hospitals for Children — Erie has launched a new tool to help lessen that fear.

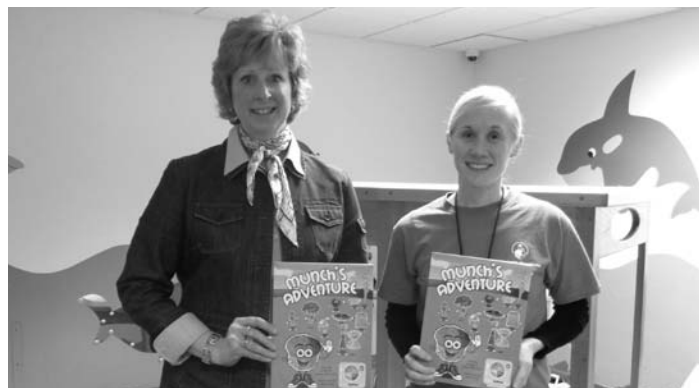

The new pirate themed “Surgery Adventure Map” helps patients navigate the adventure of their surgery and relieves some of the anxiety that they may be feeling. Less preoperative anxiety can mean fewer complications during and after surgery and a faster recovery period.

The map is meant to be a tool used by the child life department to explain the process of the surgery at a child's level of understanding and open the door for discussion. Appropriate information for each child, based on age, cognitive ability and other factors, is provided for each stop on the map. The overall goal is to help them understand what is going to happen at each stop along the way. Patients of all ages cope better if they have a general understanding of what is going to happen and why it is necessary.

The map begins in the waiting room and goes through the entire adventure of surgery, with seven stops along the way. The third stop on the adventure – everyone's favorite – is the Treasure Room where children can pick out a toy. At each destination patients collect crab stickers to place on the map to show that step has been completed. Tracking their progress gives the patients an idea of how much longer they will be in the medical center. There are also activities, such as a word search, maze and Tic-Tac-Toe, on the back of the map to occupy any free time and continue to distract the kids with positive activities to help keep their mind off of the fear or anxiety they may be feeling.

Hello Nobles

Moslem has been busy promoting our philanthropy, our first event on February 26th was the Shriners All Stars vs the Detroit Red Wing Alumni Hockey game, featuring Mr. Micky Redmond. Although our all stars lost to the red wings, the game was a success for our hospitals. Thanks to all the volunteer's for helping make this event happen. A big thank you to our Chief Rabban Bob O'Brien and Noble Robert Casaceli for all their hard work. Make sure to look for this event to happen again next year. Don't forget to tell you none shriner friends to come and see some fun hockey and to get up close to some of the legends in hockey.

Moslem's next event was on March 1st attending the Southeastern Michigan Fireman's Expo. This gives us time to shake hands and speak to our first responders about the great things Shriners can do to help young victims of fires. These men and women see the harm that comes to the human body as a result of burns.

Thank You Noble Chuck Brantley and PP Bob Lee for helping out at our display also thanks to our Pote Art Brdak, PP Criag Stigleman, PP Joe Kish (Al-aska) and Noble Bob Final for stopping by Moslem's display and giving their support for our program.

The event gives us a chance to show the great strides in the care that our Shriners Hospitals can give a child. These men and women can see through our conversations and our display, that a child can lead a great life even after such a tragedy.

On March 14th and 15th our Moslem coach took about 20 Nobles to our Erie Hospital for a Emeritus Presentation to PP Bob Lee, past Board Chairman. The presenter will be Noble Jim Panzenhagen, who as many you all know is a Past Chairman of Erie and a Emeritus as well.

Congrats to you both for your years of dedication to Shriners Hospitals and thank you from all of us for that dedication.

As of the time of this printing Moslem will once again be Holding the oldest and the original Shrine Circus. Make sure to stop by Moslems Hospital and Childcare display.

Wi-Mos Musings

By Candy Lee, Scribe

"Grazie" to Margie Hudson, Sophia Jacobs, and Hazel Thompson for a tasty Italian meal at our March meeting. For dessert we all turned "Irish", with St. Paddy's cupcakes. We celebrated Betty Albert, Pat Cooper, and Lora Spensley's March birthdays — luck of the Irish to all of you!

The sun truly was shining as Mary Thornhill reported that everyone was getting better that she sent cards to February — Pauline Carr (cold/flu), Virginia Hansen (hospitalization), and Judy Horner (fractured wrist). Our resident centurion, Welda Felbur, thanked everyone for their calls, cards, and concern for a fall she had taken last week.

Virginia Hansen presented our group with a \$200 check from Jack Hansen Jr. for our diligent work at the Sportsman's Raffle. Dee Mueller read a card from Joni Heddle; she is wearing a back brace — and misses us.

Events we marked on our calendars included the Pote's Masquerade Ball on May 13, the Shrine Picnic on July 23, and the Summer Sportsman's Raffle on August 12.

Memorable, funny moments of the day: somebody — umm, Margie — spilled pop all over during the reading of the minutes offering up an opportunity for the rest of us to burst out in raucous laughter; a dragonfly gift bag made everyone go after it in hot pursuit; visitor Mary Thorpe — who is not even Irish — was after "green" gift bags only! Always fun!

Wi-Mos meets at 11:30 a.m. on the first Tuesday of the month — except for July, August, and September. The gatherings are mainly social and open to any woman who cares about Shrine kids. Please join us at Shriners' Silver Garden Event Center for lunchtime fun!
