## MESSAGE FROM OUR POTENTATE

“As individuals we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.”

Well, as you read this, we are headed to the Imperial Convention. A meeting of Shrines from all over this great land and other countries as well. There will be meetings, discussions, chances to explore the opinions of others. I use a quote from our Shriner's Creed because I think it one of the most important quotes in our Creed. It is one each and every one of us needs to review, read and reread. Always remember you are a Shriner. None of us is perfect and we all make mistakes. We disagree, we argue, but hopefully in all of our interactions, we remember we are Shriners and that means we adhere to a code, a belief, a moral set of rules. In our travels it is important to not only listen but to “hear” others and try to understand another point of view. The Imperial is a chance for your Divan to learn, to listen, to observe and hopefully, become better managers from our interactions. It is a very busy time for your representatives. There are meetings daily where our attendance is mandatory. And, yes, there is time for fun. We try to make the convention a fun time for those that attend.

So, on to 3rd quarter... July, August and September. The Summer Sportsman Raffle is coming. Mike Zelmanski and team have been working hard on ticket sales and getting ready. The Silver Gardens staff is ordering food, tables, and things to make sure our guests have a great experience. This is another chance for our Temple and Nobles to shine in the public relations spotlight. I ask all Nobles to remember that we are hosts to our guests and it is up to each and every one of us to make sure our guests enjoy a great time in our home. Then we are on to the Michigan State Fair.

This year we have been assigned 3 positions to man each day, the west gate for wrist banding, the Hyatt entrance for entry control and the Circus gate for entry control. We will have stations set up for our volunteers to stay out of the sun, with seating and shade tents. As always we will need ushers, fire watch, ride observers, bank staff and back up staff for all positions. We will also have our

child care and membership tables on site each day. If you can give us a few hours of your time, standing, sitting, walking, it matters not, I ask for your help. This Fair is one of our chief funding sources and another opportunity for our Temple to shine in the public eye. We have great guest ring masters invited, a few special events planned and as always we will provide food and beverages for our staff. This is OUR Michigan State Fair and if you have not participated, come on out and join the fun.

In closing, I want to thank all the Nobles and units who have been patient with me. We are making changes and change is always difficult. I have not been to as many unit meeting as I would like, nor attended as many dinners at other Shrines as perhaps I should have. But, we have been busy. We have renovated our single largest profit center, Silver Gardens. We are currently working on improving our accounting department and procedures. We have closed on our new bus garage and moved our equipment into place. We are working on improving the grounds around our Temple and looking at new events to further improve our finances. In the 1st and 2nd quarters, we hosted the Sportsman Raffle and a profitable circus at Suburban Collection Showplace. We have been busy. So, I apologize if my focus has been elsewhere. I try to tackle the biggest fires first, complete those things that affect our ability as a Shrine to move forward and

improve. I am grateful for all your assistance and understanding. I refer back to our Shrine Creed and thank you for all that you do. It is my privilege and honor to serve you as your Potentate.

Craig A. Stigleman

# **Shriners Summer Sportsman's Raffle**

*by Mike Zelmanski*

Well, it seems like I haven't even recovered from the Winter Sportsman's Raffle and the 12th Annual Shriners Summer Sportsman's Raffle is right around the corner. This year's summer event will be held on Saturday, August 13th at the Shriners Silver Gardens Event Center. Tickets are available in the Shrine office.

The summer raffle is still my favorite between the two events because 1. I cut my Shrine fundraising teeth on this event and 2. the multiple inside room and outdoor options the Summer Raffle offers. I also like the fact that even though this event is partially outdoors, we can still keep 3,000 people dry if we get rain. We haven't needed them yet, but we always have fan misters ready if we get real hot weather. Last year, we improved the tented by having all high-peaked tents and larger screen TV's. Two smaller tents were added to the gazebo area for a quieter setting. We will have a very similar set-up to last summer with some usual minor tweaks for improvement.

Last summer was the first time we saw a decline in attendance from one year to the next since I took the lead

on this monster. This tells us that we all need to continue to be diligent in our efforts of promoting this event and selling tickets. We absolutely need to develop the networking opportunities of family and friends that both enjoy helping the Shriners and want the Sellers ticket they get for each book of tickets sold.

We have secured the AT&T and the P.A.C.E. Academy parking lots at Southfield Road & Mount Vernon for overflow parking with 3 free shuttles making the rounds. We are again serving the famous ½ lb burgers and ¼ lb dogs along with refreshments all included in the ticket price of \$20 advance, \$25 at the door. By the way, the ticket price hasn't increased since we started this event 12 years ago! Where else can you go to eat, drink and possibly win a great prize for 20 bucks?

If you've never been to this event you may want to experience the fun. Call the Shrine office for details or visit the website at [shrineoutdoors.com](http://shrineoutdoors.com).

**Bryan Adams at Meadowbrook**

It's that time of year again where Moslem Shrine will be participating in CD sales to assist the Shriners Hospitals. Many of you have done this in the past and the process is the same only the venue has changed.

We will be covering the **Bryan Adams** concert at Meadowbrook on July 23rd with a start time for us of 6:00pm – actual concert starts at 8:00pm.

There is a Signup Genius account set up for those that are interested and we are looking to fill 30 slots or so with volunteers. You can access the Signup Genius at:

# It's a Smile, It's a Kiss, It's a Sip of Wine... **It's Summertime!**

Summer at Silver Gardens means weddings, graduations family reunions and church anniversaries. The Team is off to a wonderful start with fabulous reviews from our clients. Here is a special one I would like to share from one of our brides. *"I'm so glad I chose the Silver Gardens for our wedding reception. The staff, especially Carol and Kalli, were very helpful throughout the planning process. Carol made sure we didn't forget any details on our special day. The food was excellent, the seared salmon and beef tenderloin OMG!! The bar staff, waiters, everyone was just so wonderful. I can't thank you guys enough for helping to make our day so special. Excellent staff and service, what more can ask for..."* This is what we strive for with each and every event so when one of our clients, especially a bride, gives us this type of feedback, we know we have done well. So proud of the team and how the year is shaping up.

Another part of the team's role here is Marketing our lovely venue. In addition to working with companies such as *The Knot* and *Wedding Wire*, we belong to and network with professional organizations; Southfield &

Ferndale Chambers, America's Bridal Consultants, National Association of Catering & Events and International Live Events Association. This keeps us in front of other industry professionals, which produces referrals; keeps us up-to-date with trends and other important matters within our industry, which our clients appreciate and love; and gives us an opportunity to visit other venues, which enables us to see what our competition is doing.

For those of you who went to the Pote's Ball on June 4, I would simply like to congratulate Craig and Patricia Stigleman on a lovely affair and all the people who helped to put this gala together. I truly enjoyed myself this evening as your special guest. Thank you so much for the warm welcome, hugs and dances... I felt like a princess. It is so good to be back at Shriners Silver Garden Events Center and working with all of you!

*Looking forward to seeing you soon,*

## Wi-Mos Musings – June

*By Candy Lee, Scribe*

She's the leader for the Q Unit. She's the treasurer for LOS. She's active in Daughters of the Nile. And, now, she's been elected to lead Wi-Mos! Who is this Super Woman? Ms. Vicki Bycraft Hansen! We are so pleased to have Vicki stepping up to lead us for the 2016-17 year. An all-star cast will surround Vicki with Vice President Betty Applebaum, Secretary Dee Mueller, and Treasurer Joyce Staten.

Being dark in July, August, and September, everyone was treated to their lunch — hosted by Judy Horner, Betty Albert, and Candy Lee. A variety of quiche, mimosas, mixed fruit, Michigan cherry salad, and Betty's sour cream delights offered quite a gastronomical treat for the 22 ladies in attendance.

Miss Sunshine, Mary Thornhill, reported that she sent out no cards in May. However, Mary reported on Beth Moore's daughter who is in a Tampa hospital recovering from a seizure.

Bringing home the "don't text and drive" message, Mary Thornhill shared this reality story. A young driver who ran a stop sign while texting struck the car driven by Mary's daughter, Diana. He broad sided Diana's car—striking the car with so much impact that it spun around three times before hitting a pole. Thankfully, Diana received only minimal injuries. Please continue to remind young drivers to stop texting and stay safe.

Are you ready for our birthday crowd? Here goes: (JUNE) Joann Bommarito, Virginia Hansen, Sophia Jacobs, Rose Kish, Charlene Miller; (JULY) Vicki Hansen, Judy O'Brien, and Carolyn Ramsay. As always, we sang out birthday wishes with gusto — but perhaps not in tune.

We ended the official part of our meeting with President Judy O'Brien preparing to turn her gavel over to Vicki Hansen. Judy had tears in her eyes—sadness or happiness.

Once again, competition in our three-card challenge was brutal. We had more "swapping" of gifts in the second round than ever. Bea Peters lost her pinwheel bag to Kathy Pullen who lost it to Carolyn Ramsay, etc... — even Miss Michigan State, Shirley Hipsher, gave up her green bag in pursuit of one of the beach-side bags.

Mark your calendars and join us for fun, food, and frivolity—our next meeting will be on Tuesday, October 4; hostesses are Judy Horner, Joyce Staten, and Mary Thornhill. If you plan to attend please contact one of the hostesses.

# Reception Unit

by: George Staten

*Greetings to all the members of the Reception Unit.* I hope everybody is enjoying this beautiful weather we are having. The flowers are blooming, the grass is growing (waiting to be cut) and all the vegetables in the gardens are starting to grow. Spring is finally here.

As I said before, all of the functions that are put on by the Shrine are not only fundraisers, they are for your enjoyment and if you don't attend them, you are not getting your money's worth. (To all the members that don't belong to a Unit, join with us.)

As all of you should know by now our May 22nd Charity Poker Outing at the Sportsman Bar and Grill in Utica is history and we made a little more profit than we did the last time on February 14th. Come out to the meeting on the 27th of June for a full report.

As you know, this outing and our Wheel Barrow of Cheer Raffle are our big fund raisers for the year and are how we make our money to help the Shrine and help pay for the subsidies for our Unit Outings.

Our trip to the Tiger Baseball Game is all set for Friday, June 24th and we have (24) people going. It is put-on by our new member and next year's Potentate, Art Brdak. If we don't have a good time, it's our own fault.

The Wheel Barrow of Cheer for August 13th is all set and as soon as we get our License from the State, I will get tickets out to everybody. Get your Booze or Monetary donations in any time. Don't wait till the last minute. If it's more convenient you can drop off your donation to the Shrine Office anytime and I will pick it up. Also, we have a Outing set-up for Fire Keepers Casino on October 1st, you will be getting a flyer.

Also, a Clock (Like we had before) as a new fund raiser was discussed. If anybody has any ideas of a fund raiser we could do come to the meeting and tell us about it and we will consider it.

As you know, this is the time of year for the Shrine Parades. We haven't been getting very good participation from our Unit, so if you can, come out to all of the parades and help in any way you can. We are supposed to carry the Shrine Banner and we only need (2) people for that. Call George and let him know you will help. Also if you don't walk too good, there are trailers that need help. The trailer that has the large air filled Shiner balloon always needs help. The Parades will all be listed in "things to remember" at the end of this article.

May 14th was the Shrine Spring Ceremonial. A lot of our Unit Members were present and helped with the Candidates by conducting them to where they had to be at the right time. There were (17) new members that joined the Shrine. Everybody had a good time (even the candidates). Cards will be sent to all of them, inviting them to come to our meeting and possibly joining with us. Our next meeting will be Monday, June 27th 2016, and as I have said before, come out to the meeting and meet our new members (and hopefully our new Shriner members) and join with us for snacks, refreshments a 50/50 drawing, a door prize and lots of comradely. Help us to make the meeting more interesting with your new ideas. We will have a report on the May 22nd Charity Poker Outing. We will discuss the August 13th Shrine Sportsman Raffle and our Wheel Barrow of Cheer Raffle.

If anybody wants a new Shrine Shirt or a Gray Shrine Sport Jacket a Black Leather and Wool Jackets or a Maroon quilted jackets, we can order them any time. We also have Shrine Ties. Let your Director George know and he will order them for you. All of these will be subsidized by the Unit.

Brothers, as I said before at one of our meetings of the Reception Unit, a motion was made to pay half of the fee of any new Shriner that any Member of the Reception Unit would have join the Shrine with the stipulation that they be an active member of the Reception Unit for a year. This still stands. Pick-up a petition from the Shrine Office for your Masonic Lodge and the Shrine and see how many you can get to join. Maybe we can help have more candidates at the next Ceremonial.

If anybody wants RECEPTION on their FEZ, let your director George or Secretary Ray Moore know. The Unit will cover the cost. Also, if you want a Unit Name Tag let your Secretary know and again, the Unit will cover the cost.

We still have gold and silver Shrine Fez pins, so sell them if you can. Call director George at 248-828-4151 and he will mail them to you.

If you are not receiving any notification of meetings, call Director George.

PP John Thornhill talked to Bill Shaftmaster and he is home now but he is on Hospice. Give him a call at 248-549-1680 and see how he is doing.

If you know of any of our members that are not doing very well, let your director know and he can send them a card and give them a call.

Nobles: Would anybody like to volunteer to be the Scribe for the Unit? Your job would be to put the article in the Moslemite each month. It's not a big job and doesn't take much time. If you are interested, talk to George.

Brothers, there has been some question on the Unit Subsidies, so here is the Motion: October 28, 2013 (Motion at meeting): *Motion to have Unit Member qualify for subsidies by attending four unit meetings (one per quarter), contribute to the Wheel Barrel of Cheer and attend (2) Shrine functions per year and pay dues. The Director may make exceptions based on circumstances. Motion made by Stan Miller and Second by Joe Amador. Motion passed.*

Since that time, motion was made to change motion to subsidize members only.

# SHRINERS HELPING SHRINERS

Branch County Shrine member and Moslem Ambassador Jim Dostal and his Lady, Linda, decided to take a second honeymoon cruise to the Bahamas, before heading North with the rest of the Snowbirds. But before they can arrive at Turks & Caicos, Jim becomes very ill with Influenza "B". Linda becomes ill with the same condition. Both are air lifted back to Florida to a hospital, and spend 8 days recovering. However, their MD would not release them to return to Michigan.

In the mean time the acres of lawn that the Dostol's maintain got out of hand. A crew of volunteers from the Branch County Shrine Club, Tyre Lodge # 18, Reading Lodge # 254, and their Ladies got together, and mowed the many acres down to size. A great time was had by all.

# What's New in Erie!

## E.L.K Charity Challenge Overwhelms Beads 4 Needs

The Everyone Loves Kids (E.L.K.) Charity Challenge is an automotive adventure rally un-like any other. E.L.K. is an interactive adven-ture; pitting philanthropic vehicle enthusiasts against one another in a seven-day journey to give back to America's future, its children. The event raises money for national children's charities, including Shriners Hospitals for Children.

This year's route for the E.L.K. event began in Detroit, MI and finishes at Lake Placid, NY. This route passes right through Erie, PA. This gave the E.L.K. drivers a chance to stop in-to SHC-Erie. Their challenge? Bring a toy or gift card for children served at SHC-Erie, meet Emily Mellish and acquire a Beads 4 Needs bracelet. Many of the drivers went over and above the standard donation for bracelets. In fact, the first driver to arrive gave Emily a \$100 bill for his choice of bracelets.

By the end of the two hour meet and greet, Beads 4 Needs raised almost \$900 and there were two tables overflowing with new toys and gift cards for the children cared for at SHC-Erie.

## Walk for Love

On June 4, 2016, a beautiful Saturday morning in Erie PA, countless Shriners Hospitals for Children supporters walked in SHC-Erie's second annual Walk for Love in conjunction with the Highmark Walk for a Healthy Community at Presque Isle State Park. Walkers included Board members, Shriners, employees, patients and families. Fezzy was even on hand to help celebrate and cheer on the walkers.

At the Shriners Hospitals for Children informational table, employees handed out Shriners super hero capes to the children walking. They loved to run around and watch the capes fly out behind them. A few of the adult walkers even wore capes to show their support!

Last year our walk raised \$15,900 to help provide the highest quality care to children with orthopedic conditions and other special health care needs. This year we surpassed our goal and raised a total of \$17,658! The SHC-Erie Board of Directors formed a team and raised over \$10,000 towards our goal. A special thank you to Erie board member Howard Merritt who single-handedly raised almost \$7,000. Thank you to everyone who walked and supported our walkers. The Walk for Love would not be successful without all of the support.

## Community Day

The smell of freshly popped popcorn filled the air. The sounds of a 1912 calliope could be heard over the hum of classic car motors. Another ex-citing Community Day was under way.

The threat of rain and thunderstorms loomed but that did not scare off the Shriners or their ladies.

This year featured a new addition. A special car seat safety program for Shrine drivers. The session was very well attended.

The sun arrived just in time for the final event, a wonderful Shrine ceremony in which Divans from each temple were recognized and the volunteer drivers were honored.

# Shrine Lancers

by Todd Wyber (Piper T)

Hello Lancers,

I hope you all are doing well and are enjoying the beautiful month of July. As you already know, we did not parade in New Baltimore. We will try to get in this parade next year. We missed the deadline for registration this year. We did however parade in Wyandotte and we had a fun time. Please ask someone about the Yale parade later in the month. As of this writing, we have not got confirmation on this parade yet.

A great BIG "THANK YOU" goes out to all that have made the parades this year so far. It is a lot of fun to drive in the parade with 6-10 cars in line. If you haven't done any parades by now, what are you waiting for? This is the time, the season, the thing we've been waiting for all winter to do. Load up the trailer and come on out for some fun.

Belleville was a nice day again and the crowd was great. For those of us that went to the afterglow, we had a good time.

Sick Report: Mel Morris has been battling a health issue and we (the Lancers) are wishing for him to have a speedy recovery. Hope to see you soon Mel.

***We will be dark for August. Our next Lancer Meeting will be in September.***

Attention Lancers. We will be having a Lancer boat trip later in the Fall. Details will be coming. Cliff is organizing this and the invites are for any Lancer and his Lady.

After some mechanical issues that kept him from driving in some parades, our very own Dave T. is now back on the street. Now we just need to get Dave B. back in his race car so we can add one more prowler to the parade. In the meantime, Dave B. has been enjoying the views and shade from the golf cart. He has been in charge of it and has been bringing it to the parades so far this year. He has made a few minor modifications to it, like the shifter knob and stuff, that Dave T. just loves. Way to go Dave B. By the way, if you know of any Shriners with the name "Dave", we could use a few more. Sort of like my good friend John in the Highlanders always says, "you can never have enough Johns at a party".

Below is an updated schedule of parades and outings for the summer. Please try to make as many parades as possible. We need at least 5-6 cars per parade to have a good showing. We should be able to easily field around 10 cars for the parades, so please do your part and come out with your cars. Please advise as soon as you can about which parades you are able to make or not make. We would like to have a list of Lancers able to make these parades in advance so we can plan accordingly.

Remember, we aren't selling tickets this summer, so parades are the main focus and we should all be able to participate.

MEMBERS! If you know of a city that would like to hire the unit for their parade or function, please let myself, Matt P. or Dave T. know about it and we will pursue it. We would like to add some new parades to our schedule this summer. So, please let us know if you are aware of a parade or driving opportunity for the unit to be in. Thank you.

Below is a list of dates/events coming up. This list will change as we get closer to the dates, so please keep current of changes each month.

Upcoming events:

7/30 Yale – TBD

9/4 State Fair – Labor day weekend

9/8-9/11 – GREAT LAKES Convention

9/18? Richmond parade – TBD

9/25 Clinton – same as always

*Don't forget about Royal Oak and Grosse Pointe in November.*

Dave T. has sent out emails with specific times, parking instructions and other things for the above parades. Please call if you need any of that information.

Until next time, enjoy the rest of July and we hope to see you at the September Lancer business meeting at the Temple. The first Monday of every month at 7pm is when we hold our monthly business meetings and the food has been great. All Shriners are welcome to come to our meetings to ask questions and to see what being a Lancer is all about.

To all NEW and Experienced Shriners, here is your chance. If you have been looking for that one unit that you would like to belong to, look no further. Come to the Lancer room on the first Monday of each month and meet the guys. You will have the time of your life driving a Lancer car in the parades. Contact myself, Matt P. or Dave Talbot for information and make a decision that I know you won't regret. Come join one of the fastest growing units in Moslem and become a Lancer today!

*Until next time, keep your engines runnin.*

Hello Everyone,

I think summer is here and we can enjoy Michigan weather.

Remember the Court will be dark in July but will have a visit from our Grand High Priestess on August 9th. Mark this date on your calendar. We will have food as usual at 6PM and meeting to follow at 7PM.

We are looking forward to our GLUM event coming closer and seeing our friends from the other Courts coming to enjoy our fun and fellowship. Please feel free to offer your help as we want this 50th anniversary to be great for all who will join us. This

will benefit our Court and our Units, so please get involved. The GLUM information is out and we are looking forward to seeing you. Take a moment to make your room reservations and send in your registration form to me.

To all in need our prayers and thoughts, please know they are coming your way. Keep our servicemen and women in your prayers that they remain safe and will be back to their homes soon.

If traveling on vacation, travel safe and I hope to see you at our August meeting.

*God's Blessing,*

Margie Hudson P.H.P

The Card Party is approaching very quickly. Items for the Card Party Raffle Table can be brought to the Temple on the day of the Supreme Queen's visit or they can be given to PQ Sheryl Williams, Pr. Sharon Jouppi or me. Plan on attending our annual event to benefit the Shriners Hospitals on Sunday, September 11, 2016. The festivities, again at Royal Oak Masonic Temple, begin at 1:00 P.M. with a bountiful lunch. The afternoon progresses with raffles for lots of prizes and also a Share the Wealth raffle. The kids in the hospitals are the biggest winners of the day. Come out and enjoy an afternoon helping us help the Shriners Kids. Hope we see you there.
