Start by doing what is necessary, then do what is possible, and suddenly you are doing the impossible...

As I write this we are preparing for our Michigan State Fair. Or, should I say we have been preparing for our state fair. We have 2 committees that run the fair, the Executive Committee, this committee runs the fair and makes all major decisions. It is comprised of Blair Bowman, myself, Tom Arnold-Arnold Amusements and L.C. and Jackie Scramblin, they run the animal side of the fair. These are the founders of this fair. The next committee is the Steering Committee, comprised of 68 key individuals, that execute the programs of the Fair and the direction of the Executive committee. These two committees have been meeting at least monthly for the past 5 months. The Executive Committee far more than that. It takes a lot of work and effort to bring this fair to fruition. Layouts, vendors, community programs, sponsors, circus acts, camper village, guest parking, timing, events, move in, move out schedules, on and on, your state fair crew has been working on this for quite some time. I can state with confidence that this Michigan State Fair will continue to grow each and every year and will be a major source of income for our Temple for years to come thanks to the ground work we have laid since 2012. In advance I want to thank everyone for participating in this major undertaking. Like the Sportsman Raffle, the fair does not just happen. It takes lot of work by few dedicated people. There are many hours of planning that takes place from May through August to make sure this Fair is a success. My thanks to Joe Kish for all his help this year. He is there whenever I need help with the Fair and I appreciate that my thanks to all the volunteer ho give their time and energy to make this fair a success. So, on to the Fair!!

We also have GLSA coming up in September. Our Motor Corps. Is attending and competing. My best wishes for a great day. Last year the Motor Corps was successful in competition and I wish them the best for a repeat. We also have a meat raffle coming up n October 1st. This is a great event and a lot of fun for everyone. Bring a friend, bring family and come enjoy a great event and hopefully win some meat in the process!!

We also have a business meeting on September 12. I am going to go over where we have been, where we are and where we are going from our financial standpoint. I plan on laying out what I see for the future for Moslem Temple and what I think is required for us to continue moving forward from a financial standpoint. In order to continue our financial improvement we need to improve our operations. We have to look to the future and plan for our growth in order to meet the needs of our Temple.

We continue to improve our finances each and every year through growth of the Michigan State Fair and the Sportsman

Raffles. Where we are falling short and, it is becoming crucial, is in membership. We have to improve how we contact our potential new members and then how we “sell” our membership. I say “sell” our membership because that is our product. We sell our membership to potential new members. We compete with other fraternal organizations like the Elks, BPOE, the VFW. We compete for time, time of our new members that they are currently spending elsewhere. We re trying to convince them to spend their time as a member of our fraternity. We have to show them how membership with us improves their lives and makes them a better person. We compete with soccer, dance, swimming, hockey, all things that parents are currently engaged in with family right now. It is a difficult sell no doubt. We have to be good, we have to know our product and why it will improve the lives of people we talk to as potential new members. If we don't know our product, why someone should join, or are passive and simply hand out a brochure or petition, then we will not be successful in “selling” our product. Are we ready to “sell”. Well, lets do some math. We anticipate 140,000 guests at the Michigan State Fair. If we make an assumption that one in three is a male, qualified to join our fraternity, then we have 46,000 potential new members at the fair. If we have a closing ratio of even 1%, we could gain 460 new members... are we ready? Well, we are getting better. We have added new point of sale posters, flags, banners, and an aggressive team that is working harder than ever before to create success. We are a long way from great salesmen, but we recognize this and are working to improve our ability. We will continue to work hard at membership. We have to in order to survive. We have improved our finances to where we are now earning more than we spend. We now have to insure our future by creating new members to bring new ideas, new events and new blood to our fraternity. Your Divan is committed to continued improvement of our Temple. It takes a lot more work than anyone realizes. It takes commitment and dedication

from all of us. Our goals cannot be accomplished by only your Divan, or a few of us. You can be a spectator, you've done your time, but I submit, it rests on all of us to work to bring in new members. We can if we try...

CLUB NEWS

The **Taylor Shrine Club** meets on the second Wednesday of the month from September to June at the Taylor Masonic Temple at 23263 Goddard Rd., Taylor, MI. which is about 1/4 mile East of Telegraph Rd. Our membership meetings start at 7:30 PM and all Shriners are welcome. Come and enjoy pizza with us after our meetings.

We are known for the Tin Lizzie's being in parades at various city festivals, start of Taylor baseball season, Taylor Little League World Series, Huron Apple Festival, Belleville Strawberry Festival and many more over the last 35 years. The director of our *Tin Lizzie's* until last year at the time of his calling by the Grand Architect of the Universe was Cherrel Fry who also built many of the cars for the nobles and then helped them with repairs keeping them on the road for the parades. He is surely missed. This year our secretary Monroe Goble has been trying to get the drivers back out and we Thank him for his efforts.

Come down to Taylor and have some camaraderie and fellowship with us.

Don Thamarus Jr.

Irish Blessing

May there always be work for your hands to do,
May your purse always hold a coin or two,
May the sun always shine on your windowpane,
May a rainbow be certain to follow each rain,
May the hand of a friend always be near you,
May God fill your heart with gladness to cheer you.

Starting on a sad note, we of the Past Masters Unit mourn the passing of two of our members, Worshipful Brother Joseph A. Ihle and Worshipful Brother Walter B. Howarth. Worshipful Brother Joe Ihle was our Secretary/Treasurer and was always active in Masonry, Moslem Shrine, the Past Master Unit and the V.F.W. Noble Joe passed on June 29, 2016. Worshipful Brother Walter Howarth was once active but had been in ill health for the past several years. Noble Walt passed away on July 8, 2016. They will be sadly missed.

Thank you to Worshipful Brother Pat Delaney who has volunteered to take over the duties and responsibilities of Secretary /Treasurer for the ensuing year.

Happy Birthday to the following Worshipful Brothers who are celebrating their birthdays during the month of September: Raymond Doyscher on September 2nd, Thomas Werner on September 20th and Ernie Richardson on September 27th. Happy Birthday Nobles.

Thank you to the Following Nobles that worked the Charity Poker Event at Mr. B's in Royal Oak the last week of July: Robin Handelman, Donald Crawford

and Pat Delaney. We could not have accomplished what we did without you.

Thank you to WB Donald Thamarus for donating a micro-wave oven for the Past Master Unit room. All Units that use the Unit room are welcome to use it if you clean it up after using.

Our meeting in September will be held on Monday, September 19th starting promptly at 7:00 P.M. at the Shrine Center.

The Past Master float will once again be in the Clinton Parade on Sunday, September 25th. The Staging area will be at the High School. The Parade steps off at 2:30 P.M. Be there no later than 1:00 P.M. to prepare the Past Master Float for the Parade. I urge our members to attend and ride the float which has been designed to resemble a Masonic Lodge. Come and enjoy yourself and enjoy the afterglow. Volunteers are needed.

Our October Unit meeting will be held on Monday, October 17th at the Shrine Center beginning at 7:00 P.M.

SILVER GARDENS EVENTS CENTER

The Team hosted a very successful Jazz in July Event showcasing the completion of our magnificent renovation. In attendance, were current and former clients, some of our preferred industry partners, as well as our supportive Shriners. The staff and our vendors pulled out all stops with jazzy décor, fabulous food, themed cocktails, great entertainment and wonderful service. We received many compliments from our guests this evening. It was a shining star night for Silver Gardens. The feedback was so positive we are going to have more Jazz Nights in the future, each with featured local jazz musicians.

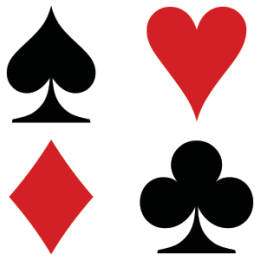

At this event, we also kicked off our 'Friends of Silver Gardens' marketing initiative. The guests each received business cards to pass along to their friends and family to use as referrals to Silver Gardens for future events. Everyone knows someone that is planning an event be it a wedding, a corporate party, a birthday or even a memorial luncheon. Why not refer them to Silver Gardens where the food is delicious and the service awesome!! For those clients who present this card at the time of booking, they will receive 10% off their room rental or 5% off food and beverage services. As our thank you to the person who provided the referral, within two weeks following the completion of referred event, SGEC will reward them \$100. Everyone wins, why not YOU!!! Please let us know if you would like some of these cards to pass along.

Over the next few weeks, the Sales Team will be reaching outside of the building and more into the community making stops at local area businesses including schools, churches, hospitals and funeral homes to pass along these referral cards, other SGEC marketing packets and some of Chef's tasty house baked cookies. We are diligently working to finish off the year on a strong note. I have all the faith in the team that we will.

Looking forward to seeing you soon.

Erie Shriners Jammers Season a Slam Dunk

Shriners Hospitals for Children — Erie's Wheelchair Basketball Team, Erie Shriners Jammers, have wrapped up their 6 week season and participation has been outstanding. The program, which began over 10 years ago, allows physically disabled children the opportunity to compete on the court against a team from the Erie community. The patients who participate in this program recognize many benefits including increased self confidence, learning to be part of a team and learning to play by the rules. One parent

commented

“My child benefits from the socialization and being around other kids who are similar to him. His self confidence has soared!”

The team has played against members of the Gannon University Football Team, McDowell High School, Lund Martial Arts, Behrend Student Nurses, and the Eerie Roller Girls. The final game is followed by a party and awards ceremony.

Save the Date!

Love to the rescue!

Shrine Lancers

by Todd Wyber (Piper T)

Hello Lancers,

I hope all is well with our Lancer Families. It is now September and where did the summer go? Pretty soon, we will be celebrating Halloween. Dave B, Norm W. and myself will be enjoying a fun weekend in October at the Monroe KOA with our families. If you would like to join us, let us know and come camping. I'm sure Jim R. will be the first one to call me on this one, right Jim?

Well, we've had a fun summer so far. We did two new parades this summer. We paraded in Yale and Marine City. Both of these parades are new for us and we had a good time at both of them. Hopefully these parades will become a yearly thing for us. We not only get to drive our cars more for the crowds, but we also have another reason to spread the good word of what the Shrine is all about. Way to go Lancers!

Obie and his wife have been enjoying a summer full of camping adventures. Obie bought a new 30-some-foot camper and is now traveling around the country (or Michigan) with his new home on wheels. He was able to make it back in time to participate in the Marine City parade. In this article should be a picture from the Marine City parade where we are all standing behind the cars. Always good to have Obie in the parades. One thing I've noticed though is that he likes to stop and talk with any person that has a dog with them. We will have to start calling him the Dog Whisperer.

Another picture is of us at the Yale parade. You can see that we were also sharing the parade with the second best unit in the Shrine, the Keystone Cops. Just kidding Keystone people, we are all #1. This was a big joke at the parade and we all decided that we were both #1 because we are the best units in the Shrine and that's also why we share our unit room with each other. Always a pleasure see the Keystone guys.

Nick made some of the parades this summer. He is feeling almost perfect since his surgery on his hands. He was driving Dave's car and had a blast. We are happy to have you back in the ranks again Nick.

Congratulations to James and Martine. The two of them just got married on Sept. 9th in London, England. Dave T. and his wife traveled to London for the wedding and then ventured to Italy for a nice trip. They returned to London and then back home to us. James, where was our invite with paid airfare? Just kidding. Congrats to both of you!!!!

Lancer River Cruise. Cliff has arranged for us to go on a trip on the Diamond Jack River Cruise on Friday, Sept. 23rd, at 7pm. If you haven't RSVP to Cliff yet, please do so now so you can come for a fun night. The cruise is free to any Lancer and their spouse. We will meet and leave from Bishop Park in Wyandotte. So, come on out for a fun night with the Lancers.

The Sportsmans Raffle was a huge success again and we

should all tip our fez to Mike Zelmanski and his crew for all that they did. In fact, all of the nobility that had anything to do with the raffle should get a round of applause. It's efforts like this from Moslem's membership that is keeping Moslem alive and strong. Way to go Shriners, spouses and friends!

Thank you to all Lancers that were able to make the Yale and Marine City parades on such short notice. Both parades called us last minute and we were able to help them out. They enjoyed our participation and want us back next year. We even were invited to a couple other cities for their parades next year. More to come at the next business meeting.

The State Fair was also a big success. We helped out by transporting disabled people from the parking lot to the gates and we also did many other jobs to help out our cause. Way to go again Lancers!

Below is an updated schedule of parades and outings for the remainder of the summer. Please try to make as many parades as possible.

Upcoming events:

9/11 Richmond parade

9/17 River Rouge Parade

9/25 Clinton- same as always

Don't forget about Royal Oak and Grosse Pointe in November.

Dave T. has sent out emails with specific times, parking instructions and other things for the above parades. Please call if you need any of that information.

Until next time, enjoy the rest of September and we hope to see you at the November Lancer business meeting at the Temple. This will be our first meeting since the start of summer, so please try to show up and enjoy a fun night with your fellow brothers and Lancers. The first Monday of every month at 7pm is when we hold our monthly business meetings and the food has been great. All Shriners are welcome to come to our meetings to ask questions and to see what being a Lancer is all about.

To all NEW and Experienced Shriners, here is your chance. If you have been looking for that one unit that you would like to belong to, look no further. Come to the Lancer room on the first Monday of each month and meet the guys. You will have the time of your life driving a Lancer car in the parades. Contact myself, Matt P. or Dave Talbot for information and make a decision that I know you won't regret. Come join one of the fastest growing units in Moslem and become a Lancer today!

Until next time, keep your engines runnin.

Reception Unit

by: George Staten

Greetings to all the members of the Reception Unit. I hope everybody is enjoying this beautiful weather we are having and keeping cool in air conditioning. We should enjoy this weather while we can, it won't be here forever.

As I said before, all of the functions that are put on by the Shrine are not only fundraisers, they are for your enjoyment and if you don't attend them, you are not getting your money's worth. (To all the members that don't belong to a Unit, join with us.)

At this time we don't have any Charity Poker events lined-up, but we will. We do have our Wheel Barrow of Cheer all ready to go. By the time you receive this article, the Shrine Sportsman Raffle and our Wheel Barrow of Cheer Raffle will be over with. I hope the Sportsman Raffle had a huge crowd and made a good profit. That would mean that we had a big crowd and made a good profit also. It will be hard to equal what we did in February.

As you know, the Charity Poker outing and our Wheel Barrow of Cheer Raffle are our big fund raisers for the year and are how we make our money to help the Shrine and help pay for the subsidies for our Unit Outings. When you participate in one or both of them, you are eligible for the subsidies.

Our trip to the Tiger Baseball Game on Friday, June 24th was a fun outing. We had 20 people that went and everybody had a very good time. We had dinner at the Hockey Town Café, across the street from the Stadium, so we could walk across the street and we were there. After the game there were fireworks. We were so close to where they were setting them off that we almost had ring side seats.

Also, we have a Outing set-up for Fire Keepers Casino on October 1st, you should have received a flyer by now. If you haven't call George at 248-828-4151 and he will get one to you. Cost is \$35.00 per person but all members will be reimbursed. This is a popular Casino so get your money and reservation in fast. It will be first come first served.

Also, a Clock (Like we had before) as a new fund raiser was discussed. If anybody has any ideas of a fund raiser we could do come to the meeting and tell us about it and we will consider it. July 24th was the Shrine Picnic. It was a cloudy and rainy day so the attendance was down but we still had a good time and as usual the food was very good.

As you know, this is the time of year for the Shrine Parades. We haven't been getting very good participation from our Unit, so if you can, come out to all of the parades and help in any way you can. We are supposed to carry the Shrine Banner and we only need 2 people for that. Call George and let him know you will help. Also if you can't walk the Parade, there are trailers that need help. The trailer that has the large air filled Shiner balloon always needs help. The Parades will all be listed in "things to remember" at the end of this article.

Our next meeting will be Monday, September 26th, 2016, and as I have said before, come out to the meeting and meet our new members (and hopefully our new Shriner members) and join with us for snacks, refreshments a 50/50 drawing, a door prize and lots of comaradity. Help us to make the meeting more interesting with your new ideas.

If anybody wants a new Shrine Shirt or a Gray Shrine Sport Jacket a Black Leather and Wool Jackets or a Maroon quilted jackets, we can order them any time. We also have Shrine Ties. Let your Director George know and he will order them for you. All of these will be subsidized by the Unit.

Brothers, as I said before at one of our meetings of the Reception Unit, a motion was made to pay half of the fee of any new Shriner that any Member of the Reception Unit would have join the Shrine with the stipulation that they be an active member of the Reception Unit for a year. This still stands. Pick-up a petition from the Shrine Office for your Masonic Lodge and the Shrine and see how many you can get to join. Maybe we can help have more candidates at the next Ceremonial.

If anybody wants RECEPTION on their FEZ, let your director George or Secretary Ray Moore know. The Unit will cover the cost. Also, if you want a Unit Name Tag let your Secretary know and again, the Unit will cover the cost. We still have gold and silver Shrine Fez pins, so sell them if you can. Call director George at 248-828-4151 and he will mail them to you.

If you are not receiving any notification of meetings, call Director George. If you know of any of our members that are not doing very well, let your director know and he can send them a card and give them a call.

Nobles: Would anybody like to volunteer to be the Secretary for the Unit? Our Secretary Ray Moore is now the Oriental Guide so he wants to resign. If you are interested, talk to George.

Brothers, there has been some question on the Unit Subsidies, so here is the Motion: October 28, 2013 (Motion at meeting): *Motion to have Unit Member qualify for subsidies by attending four unit meetings (one per quarter), contribute to the Wheel Barrel of Cheer and attend (2) Shrine functions per year and pay dues. The Director may make exceptions based on circumstances. Motion made by Stan Miller and Second by Joe Amador. Motion passed.*

Since that time, motion was made to change motion to subsidize members only.

September 25th – Clinton Parade.
